DETAILED ACTION

Interference

Interference No. 105,752 has been terminated by a decision **favorable** to applicant. *Ex parte* prosecution is resumed.

This application is in condition for allowance except for the following formal matters directed to the drawings:

The instant application file has one set of drawings, dated October 1, 1998.

A "Notice of Draftperson's Patent Drawing Review" was entered into the file on January 11, 1999.

The drawings are clearly informal in nature and do not comply with the requirements of 37 CFR 1.84(g), 1.84(l) and 1.84(p).

A new set of formal drawings is required in response to this office action.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet,

and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Allowable Subject Matter

Claims 1-4, 9, 10, 13, 14, 22-27 and 29 are allowed.

Conclusion

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
